## ANNUAL GENERAL MEETING OF THE TOWN & COUNTRY PLANNING ASSOCIATION TO BE HELD AT 6PM ON WEDNESDAY 16 JULY 2025

### THE TCPA'S MEMBERSHIP SUBSCRIPTION RATES

#### 1. Context

As set out in the governing documents, changes to the membership subscription rates need to be agreed by the Association at its AGM.

It was agreed at the 2024 AGM that membership subscription rates should become a standing item on the AGM agenda with increases in line with inflation being proposed unless there were extenuating circumstances [see section 10 of agenda item 2 – Draft minutes from the 2024 AGM].

The paper that informed the discussion in 2024, states that it was expected that inflation would be based on Consumer Prices Index (CPI) for May of each year. This figure is usually published by the Office for National Statistics in mid-June and would therefore be available in time for the AGM, which is usually held in July.

CPI in May 2025, as published by the Office of National Statistics on 18 June, was 3.4%.

The impact of a 3.4% increase on current rates is set out in figure 1.

**Figure 1: Overview of current subscription rates and potential percentage increase**

	Current rates	Rates with 3.4% increase
<b>INDIVIDUAL MEMBERS</b>		
Standard individual	£60	£62
Concession	£35	£36
Student (receives journal online only)	£15	£16
Young person (under 18yrs) (receives journal online only)	£0	£0
Non-UK	£82	£85
<b>ORGANISATIONAL MEMBERS</b>		
Parish Council	£114	£118
Education / Library	£129	£133
Registered charity up to £3m	£242	£250
Registered charity over £3m	£500	£517
Local authority/public body	£518	£536
Corporate up to £3m	£552	£571
Corporate over £3m	£1,093	£1,130

Organisation non-UK	£326	£337
<b>JOURNAL SUBSCRIPTIONS FOR NON-MEMBERS</b>		
UK subscribers (for both agents and direct subscribers)	£148	£153
Non-UK subscribers (for both agents and direct subscribers)	£178	£184

If agreed, for practical reasons, these increases would be applied from 1 October 2025 and then to all subscription renewals as they arise on a monthly rolling basis.

## **2. Proposal for consideration at the AGM**

Members are asked to agree:

- That membership fees should be increased by 3.4% from 1 October and then applied on a rolling basis.
